Obanaka Christian

Community Manager & Moderator,
Content Creator.

About Me

I am a professional Community Manager, Chat Moderator, and Content Creator with over three years of experience building and managing communities, both for my personal brand and various Web3 projects.

In addition to writing engaging content for my blog, I have a strong understanding of branding and graphic design, which is evident in the custom YouTube video thumbnails and visuals I create for my platforms.

My skill set also includes effective communication with online communities, managing and moderating chat groups, and providing seamless live chat support. I take pride in fostering positive interactions, creating a sense of belonging, and ensuring a well-moderated and enjoyable online environment for all.

Community Moderator PokerDAO (2022-2022)

- Moderated a Discord server with over 10,000 crypto enthusiasts, fostering collaboration and maintaining a positive atmosphere.
- Supported the team by solving problems efficiently and ensuring smooth daily operations.
- Successfully worked in shifts with another moderator to deliver seamless community management, earning recognition for reliability and performance.
